

# CAPABILITY STATEMENT

## CORE COMPETENCIES

- Just in time order fulfillment and logistics
- Industry leading pricing
- Disposable Powder Free Nitrile gloves SM-2X
- Isopropyl alcohol for cleaning sensitive electronic equipment
- Glycerin-free hand sanitizer, tested for use around sensitive equipment
- Gray bus tub bins for use in scanning machines
- Full line of janitorial supplies
- Full line of cleaning chemicals

## PAST PERFORMANCE

We have a 13 year working relationship with DHS and more specifically TSA customers. We have many references upon request of very satisfied TSA contacts. Our track record of prompt order fulfillment and aggressive pricing has lead to a strong trust of our capabilities.

## DIFFERENTIATORS

We pride ourselves in having the lowest pricing and quickest delivery in the industry. Low overhead and margins allow your TSA, DHS, or DOD agency to ensure it receives highest value. Shipping program of locating the fastest and most reliable logistics suppliers mean you will have all products promptly.
